The following documents should be included with the application (if applicable):

- Attach a copy of your original lot survey with placement of improvement/alteration noted (i.e. if building a deck, draw placement of deck on survey).**
- Attach a drawing of the alteration/improvement, preferably a professional drawing from your contractor. If that is not available a hand drawing may be acceptable, as solely determined by the Architectural Review Committee.**
- Attach a written description or picture of the alteration/improvement (catalog cut sheets, brochure pictures or website printouts are acceptable). Include a specific list of materials that will be used (for a deck you would include the following: types of wood, paint colors, stain colors etc....).**

The homeowner agrees to the following:

- A. No alterations/improvements may be commenced until written approval is received from the Architectural Review Committee. Alterations/improvements must be completed as represented in this Application, or as modified by any changes required as a condition of approval.
- B. The owner is responsible for obtaining any required building permits.
- C. The owner, not the Association, Board of Directors, or Review Committee, is responsible for (i) the construction standards and specifications relating to the alterations/improvements and construction work; and (ii) determining whether the alterations/improvements violate any restrictions or requirements imposed by any governmental authority having jurisdiction over the Unit.
- D. The owner shall hold harmless, indemnify and defend the Association and its officers, directors, and agents from and against any expenses, claims, damages, losses or other liabilities, including without limitation attorneys' fees and costs of litigation incurred by the Association, arising out of (i) any part of the alterations/improvements which violates any governmental law, code, ordinance, or regulation; (ii) the adequacy of the plans or specifications submitted by the owner in connection with this application; and (iii) the construction of the alterations/improvements.
